## Mikado

**Mikado is an universal towel holder for wall mounting in front of or above each radiator type (or without radiator).**

**Mikado is available in two lengths: 55 and 85 cm.**

The length 55 cm consists of 1 wall bracket, 1 mounting bracket and 1 wooden stick.

The length 85 cm consists of 2 wall brackets, 2 mounting brackets and 1 wooden stick.

### MATERIAL

- The wall bracket is a cast aluminum piece with a round and an oval screw hole for horizontal positioning
- The mounting bracket is made of an extruded aluminum profile and is equipped with 4 adjustment screws M4 for mounting on the wall bracket and for the fixing of the stick made of round wood  $\varnothing$  18 mm
- Included with each wall bracket : 2 screws, 2 washers and 2 plugs  $\varnothing$  8 mm for normal stable walls
- Per package: a 2 mm Allen key

### COATING

- The mounting bracket is lacquered in traffic white (RAL 9016) satin / in colour ... (see colour chart).  
The coating is a scratch resistant polyester coat, electrostatic powdered and baked at 200 ° C. UV resistant according to ASTM G53 / in anodized aluminium natural colour / brushed stainless steel look / chrome plated
- The stick is made of oak / ash / walnut and has a matte, not visible protective layer (two-component acrylic resin lacquer)

### HOW TO INSTALL

- The wall bracket must be installed horizontally and carefully secured with the screws supplied or with other fixing devices suitable for the wall.
- The position of the mounting bracket can be selected as desired: left or right of a vertical wall mounted radiator / over a horizontal wall radiator / without radiator at any point / against a bathroom cabinet / in any other suitable position
- The wooden stick with length 55 cm can be placed with one mounting bracket
- The wooden stick with length 85 cm should always be placed with 2 mounting brackets
- The wooden stick is pushed into the bracket(s) and stuck in the position equal to the end of the wall bracket(s) / with a slight overlap with the wall bracket (s) / in a position according to the customer's preference
- The mounting bracket is fixed to the wall mount with 2 adjustment screws and the Allen key
- The stick is secured to the wall bracket with 2 adjustment screws and the Allen key
