HEATWAVE

Playful curves
out of a concrete shell

This gorgeous sculptured piece hangs on your wall like a work of art, drawing all eyes to it... This intriguing radiator is the first to unite the fine details of art and pure craftsmanship with industrial efficiency. The playful, sensuous curls form a deliberate contrast with their intractable concrete shell.

Design by Joris Laarman.

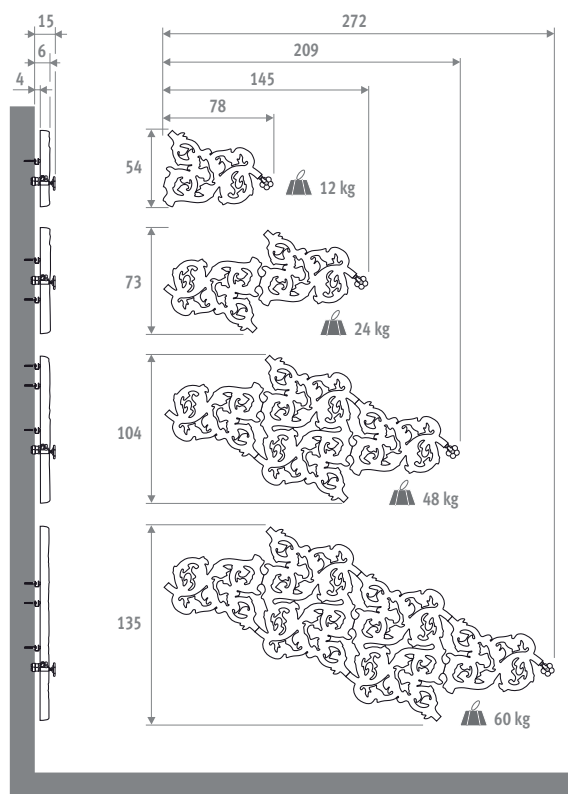

HEATWAVE

HEATWAVE

DIMENSIONS (in cm)

The Heatwave can be mounted in any orientation through 360°.

code	model	colour
HEAW . 001	OS	XXX
fill in colour code _____
